

# Souths Cares Thanks Loyal Foundation for Generous Support

04 Oct 2011

Souths Cares, the charitable arm of the South Sydney Rabbitohs, would like to thank the Loyal Foundation for their generous donation of \$50,000, helping Souths Cares to support communities through programs focussed on healthy and active lifestyles, education, and schools-to-work transition.

The Loyal Foundation raises funds for charities via numerous events each year, with the main fund raising activation being the Sydney to Hobart yacht race in December.

Last year, the Chairman of the Loyal Foundation Anthony Bell was joined by TV personality Larry Emdur, Wallabies Phil Kearns and Phil Waugh, world surfing champion Layne Beachley, Olympic swimmer Geoff Huegill, Australian cricketer Matthew Hayden and world champion boxer Danny Green, on the high seas in the Sydney to Hobart yacht race, raising hundreds-of-thousands of dollars for numerous charities.

One of the nominated charities for Loyal this year was Souths Cares, whom they are proud to support.

The Loyal Foundation also offers items for auction for Souths Cares, helping to raise more funds for the work being done primarily in the South Sydney and Coffs Harbour areas by Souths Cares and the South Sydney Rabbitohs footballers.

“We could not be more grateful to Anthony Bell and his team at the Loyal Foundation for their continued support of Souths Cares,” General Manager of Souths Cares, John Hutchinson, said.

“Loyal Foundation is doing some fantastic work in helping charities raise funds to continue their good work, and we’re pleased that our work is being made possible through kind donations such as this from the Loyal Foundation.

“\$50,000 goes a long way in helping us deliver our programs around healthy and active lifestyles, education, and school-to-work transition programs.

“We have wonderful support from organisations such as Australian Technology Park, Sydney Corporate Park and All Sorts Fitness and Wellbeing Centre where our Souths Cares classroom is based, De’Longhi, Kenwood, Coffs Harbour City Council, Randwick City Council and the Southern Courier, and this financial boost from Loyal will help us take our programs to more kids in our regions.

“And we can’t forget the Club’s Members who kindly purchase Bunny Buddy packages, raffle tickets and make donations on a regular basis. Every little bit counts.

“Hopefully everyone can see the difference that Souths Cares and the Rabbitohs’ players are making in their communities and hopefully we can continue to provide these services and make our communities a better place.”
